

**LIGHTING  
Fixture MFG.**

## Gasketed Enclosure Lens

### For Wet and Damp Locations

#### Description

Gasketed Enclosures are **dust and moisture resistant** and require the installation of a striplight or channel type lighting fixture. The enclosures are composed of a **fiberglass body** and a **high impact acrylic / DR crepe pattern diffuser** positioned into the **continuous gasketed upper body** slot and securely held in place by **celcon retainina latches** that assure a **continuous seal**.
